

# PROJECT PROFILE

GLOBAL MISSIONS CONFERENCE  
'05 - '11  
*Missions Resource Network*

Project Partners managed the first Global Missions Conference for 1,200 participants held at the Arlington Convention Center. The 2011 event will be held at Legacy Church. This event is a comprehensive missions gathering for churches of Christ to advance domestic and global outreach for the purpose of more effective world evangelism. Project Partners consults and works hand in hand with the volunteer and staffing teams to coordinate all components of this project including the program, with seventy-five presenters/speakers, fifteen tracks and more than eighty-five workshops and classes. We also manage the online event management, registration and marketing, the room arrangements, equipment, communications, staging/production, audiovisuals, exhibits, signage, food and beverage, hospitality, gifts, decor, security, day of event orchestration, sponsorships, finance, budget, mailings, list development, conference handouts/program, and ancillary event.

**“Project Partners’ leadership was largely responsible for the highly successful Global Missions Conference. Michele kept us on track throughout the months leading up to the conference so there was no last-minute panic. Please be assured that we will turn to Project Partners for our next major event.”**

Robert T. Waldron, Former Executive Director  
Missions Resource Network

**“I pray that you are taking the day off after a great Global Missions Conference weekend. I so appreciate all of your hard work in providing us with a wonderful and encouraging conference. You were very significant in providing a well organized and well executed weekend.”**

Jay Jarboe, Executive Director  
Missions Resource Network  
Former Lead Minister of Sunset Church of Christ
