
PROJECT PROFILE

Reading Rocks

READING ROCKS, '11, '12
"I Have a Dream" Foundation® Fort Worth

With Project Partners' help, The "I Have a Dream" Foundation® Fort Worth executed another successful literacy promotion and fundraising event as the 10th Annual 'Reading Rocks' unfolded Saturday, February 12 at Ridglea Country Club. This event featured author Dan Yaccarino, an enchanting underwater theme, and scores of tables extraordinarily decorated by community volunteers, making favorite children's books come to life. Six-hundred children and adults attended, and more than \$75,000 was raised to provide academic and career development, college preparation, and scholarship assistance to disadvantaged and educationally challenged students in Fort Worth. Project Partners extended the capacity of this small organization by providing organizational, volunteer management, fundraising and logistical support services.

"Your professionalism, full involvement, leadership, ownership and guidance have been invaluable. Having entered into this year's preparation amidst tremendous organizational transition, I was exhausted and uncertain of the benefits of Project Partners, but I am now sold on Project Partners! Your work made an incredible difference in the execution of organizational support. Thank you so much for being 'our partner for good!'"

Debra West, Executive Director
"I Have a Dream" Foundation® Fort Worth

"Great job!! The \$75,000+ is wonderful. Project Partners was a great fit for I Have a Dream Foundation® Fort Worth. Thank you and your team for providing such a great service to our organization."

Carolyn Bell, Board Member &
Founder of Reading Rocks
