LONE STAR FILM FESTIVAL BALL '17
Lone Star Film Society

Project Partners provided logistics management for the Lone Star Film Festival Ball, the kick-off event for the Lone Star Film Festival. One-hundred-and-fifty guests enjoyed "Dinner on the Big Stage" while paying tribute to the life and career of Texas born actor, Bill Paxton. The event, emceed by Hilary Kennedy, included an awards ceremony recognizing Cybill Shepherd and Terry Allen, as well as a live auction. The Country Network was there to capture the excitement including a legendary musical performance by Terry Allen, Joe Ely, Lloyd Maines, and Bukka Allen.

"You were so thorough. Every detail was covered, we trusted you completely, and the event ran very smoothly. We could not have done it without your help. Thank you."
