## STRATEGIC PLANNING FACILITATION '12 MHMR Visions Foundation

Provided facilitation of two working sessions of the Strategic Planning Committee and provided "Your Board's Role in Fundraising and Community Engagement" training to entire board to tie all planning together. The primary goals were achieved in a short period of time- setting a strategic direction for the organization, refining the mission statement for all purposes, and engaging the board in the process, plan and implementation.

**"I appreciate your finesse in maintaining the needs of the organization as seen by staff but also in empowering the board leadership."**

Nikki Hatley, Executive Director  
MHMR Visions Foundation

**"Well, I guess the rest is up to us now. You have provided expert guidance and advice which, I'm confident, Visions will embrace and put into action. Thanks so much for your very helpful and very professional training and facilitating. I enjoyed watching you leading and maneuvering our group. You're very good at what you do, and I'm glad I was able to participate in the process. Much thanks."**
