M/WBE COMPANY OUTREACH AND IDENTIFICATION '05

S.M. Wilson & Co. for Target Corporation

Provided consulting and project management services for Fort Worth M/WBE participation outreach, partnering, education, identification, bid breakfast meetings, reporting and community liaison work that would help S.M. Wilson & Co. for Target Corporation meet and exceed the established M/WBE goals established by the City of Fort Worth. Project Partners helped announce and promote the opportunities in eleven work packages, convene the companies, encourage companies to respond, provide appropriate feedback and direction, and report results.

CONSULTING SERVICES FOR TAX ABATEMENT COMPLIANCE REPORTING '06 - '08

Allied Electronics

Provided consulting and project management services for Fort Worth M/WBE participation, identification, and reporting work that would help Allied Electronics meet and exceed the established M/WBE goals established by the City of Fort Worth.

“Project Partners ably served as our local resource to help us identify, qualify and retain Fort Worth and certified woman and minority-owned companies for our work for Target Corporation on the SuperTarget store, part of the Montgomery Plaza project. Lerii’s ability to work with city officials, company executives and the small business community of Fort Worth, helped us help Target Corp. exceed tax abatement policy goals.”

Matthew H. Goebel, Former Project Manager
S.M. Wilson & Co.
