Community Outreach '03

Provided turnkey coordination for Cook Children's sponsorship and community outreach for a three-day festival. Recruited and trained volunteers for the event, coordinated all logistics and children's activities, and distributed Cook Children's information to festival attendees.

“Thanks for your professionalism and expertise during this busy time. Without your hard work, Cook Children's would not have been able to participate in the Denton Arts & Jazz Festival. You made my job easy and worry-free.”

Jackie Daulton, Former Community Events Liaison

“Reviewing your work, I have no questions, and any concern I might have had about the many moving parts – evaporated! Thanks for your coordination of this complex effort.”
